

TRAIN SMARTER.

MANTISX FIREARM TRAINING SYSTEM

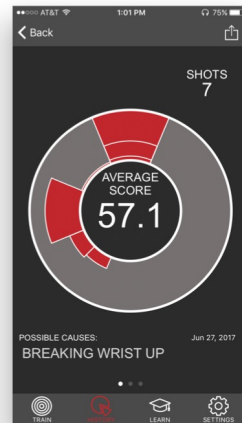

“The most valuable training tool I’ve ever purchased.”

YANKEE MARSHALL

TRACE EVERY SHOT

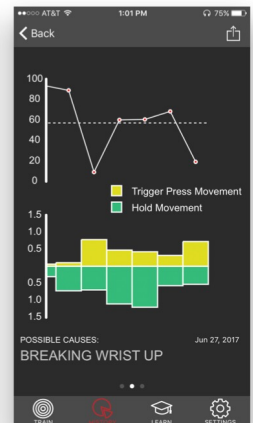

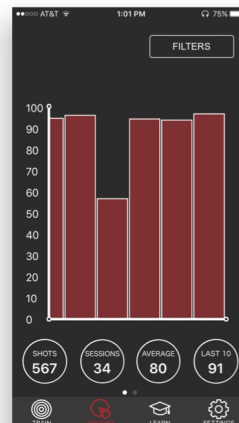

ANALYZE BEHAVIOR

IMPROVE TECHNIQUE

TRACK HISTORY

The MantisX smart sensor continuously tracks the movement of the firearm before, during, and after every shot. The MantisX smartphone app analyzes behavior, gives feedback, and provides coaching to make sure every shot counts.

LIVE FIRE - DRY PRACTICE - AIRSOFT & CO2

Ammoland: "It works. It's addictive. It's one of the most useful training tools I've seen in a very long time."

America's 1st Freedom: "This is where the near-magic happens.... With an efficiency matched by nothing else we know, the MantisX gets you closer to repeatability in that all-important press."

Robo Murray: "The MantisX had a proven dramatic effect on my pistol accuracy; even more than I suspected it would."
